

## PRISONERS ESCAPE IN DUNKLIN COUNTY

Four prisoners escaped from the Dunklin county jail Tuesday night, or early Wednesday morning, May 15. They were Thomas Walker of Bernie, under a sentence of three years for forging a note and selling it to a Malden bank; George Kinzley, in jail for resisting an officer, whipping his wife and running off from a jail sentence when a trusty; Charles E. Tubbs of Gibson, serving a jail sentence for assault; Tom Brannum, serving a jail sentence for shooting at his neighbor in the South part of the county.

According to Will Boss and Guy Knight, two prisoners who would not go out with the others led by Kinzley, the prisoners had been cutting a hole in the east wall of the upstairs cell for two weeks. They had pieces of a steel saw, and it cut well. They let themselves down into the building outside of the cells with a blanket, an easily broke through the wooden outer wall at the southeast corner and gained freedom. It is said that Walker went out about 1 o'clock but the others hearing Jailer J. L. Stroud walking about the house, were afraid to venture. Tubbs and Kinzley left at 3 o'clock and Brannum at 4 o'clock.

About 1 o'clock Jailer Stroud heard a noise and went through the house and out on the back porch to locate it, but failed. It was likely the prisoners breaking through the outside wall. Sheriff King noted all surrounding towns of the delirery, and went south Wednesday, but none of the prisoners have yet been found.—Kennett Democrat.

Mr. Shuppan will have to give this boat some immediate attention.

## "LITTLE SIOUX'S" RIDE TO NORFOLK, VA.

Norfolk, Va.—Among all the shows on the War Path at the Jamestown Exposition on Hampton Roads, near Norfolk, Virginia it may be safely said that while they are all good, none will excel the "101 Ranch" Wild West Show. Much has been written and said of this wonderful Western production on the shores of famous Hampton Roads, but the half has not been told, nor could it be comprehended if told. It must be seen to be appreciated. To bring the push, vim, daredevil escapades of the plains into the midst of the staid, old, aristocratic East, and show them as they are beyond the Mississippi, is in itself a daring feat.

By way of further exploiting his Wild West Show "Little Wolf" a full blood Sioux Indian Chief, left Chicago on horseback Monday morning, May 5th and is now riding to Washington to extend a personal invitation to President Roosevelt to be present at the opening of the "101 Ranch" Wild West show on the afternoon of May 20th.

There is no wager connected with the ride, nor are there any particular plans or rules laid down by which the Indian must ride or abide. He is simply to make the ride from Chicago to Washington City on his broncho, to meet the President and extend the invitation. Of course, being arrayed in the usual paraphernalia of an Indian Chief, he will attract no little attention en route.

Colossal in size and interesting and thrilling from start to finish is the great "101 Ranch Wild West Show." The C. W. Rex Company has provided a field at the grounds that is the size of two city blocks, so that there will be plenty of room in which to give this magnificent exhibition.

An arena to seat 150,000 people is a pretty big one, but this is the capacity of the grandstand and bleachers of the lot on Commonwealth avenue west, opposite the Lee Parade grounds, where three performances will be given each day, rain or shine, at 2, 5 and 4:45 o'clock.

The great buffalo chase is just the fifty or more features with the big show. Five hundred cowboys, cowgirls, Indians and Mexicans engaged in this chase.

## TINTINNABULATIONS OF THE WEDDING BELLS

On last Thursday a very enjoyable affair was held at the residence of our townsman, H. H. Anderson. It was the celebration of his tin wedding. Just ten years ago he launched from the waters of single cussedness on the sea of double happiness. From the way the persons present were entertained by Mr. Anderson and his good wife one would judge that the voyage thus far was successfully made. Good, sic, plenty to eat and a cordial welcome was given to all. The evening was so spent that it will be long remembered by every one present. At an early hour some of the party went to the home of Mr. and Mrs. Anderson, pretending to make a call and make sure of their being at home, while the remainder of the party waited until it grew dark when they surrounded the house with music of violins and the tin they brought as presents.

Just at the hour they were married 10 years ago Mrs. Anderson spoke of it to the ones that had pretended to call and the music began outside. It was indeed a surprise to them. All was invited in and had a good time until a late hour. Those present were Mr. and Mrs. Dr. Adkins, Mr. and Mrs. R. M. Sawyer, Mr. and Mrs. R. M. Reid, Mr. and Mrs. Frank Whetstone, Mr. and Mrs. Carl Wallace, Mr. and Mrs. Jake Barks, Mr. and Mrs. O. S. Reed, Miss Nellie Sawyer and Master Mose Wallace. Some nice and useful presents were given.
